

Dear Reverend Warnock,

As an American with the desire to represent the people of Georgia in the U.S. Senate, you declare yourself an advocate and defender of Civil Rights, a protector against racism and a man called by God to Shepherd others; you must realize that great responsibilities come with those declarations!

As a defender of Civil Rights, you have failed to recognize and embrace that they (civil rights) are undergirded by fundamental tenets to be extended to all Americans. Fundamentally, ALL are created equal and must be provided the right to "life, liberty, and pursuit of happiness" (see Declaration of Independence), for justice to prevail. It is hypocritical and "anti-civil rights" to reject the right to life for a specific subset of humanity (those in the womb) while you relish and partake in all the fruits of life; this is an ultimate injustice! It is a dishonor to assert being a defender of civil rights while endorsing the cultural forces that withhold the right to life from Blacks as they are disproportionately targeted for "extermination" via abortion. You have fundamentally failed in this regard.

Please correct your ways.

As one who esteems himself as a protector against racism, your support for abortion is an actual embrace of systemic racism! Racist, bigoted eugenicists advocate for abortion as a way to "exterminate the negro population" (direct quote from Margret Sanger, Planned Parenthood Founder). Due to its notorious disproportional effect on the Black community, abortion is fully representative of systemic racism! Racism cannot even be marginally addressed by you, unless you begin with a denouncement of the racist abortion industry and its targeting of Blacks "for extermination!"

Please denounce.

Last but not least, as a man called by God to Shepherd others, your stance that encourages active "shedding of innocent blood" (via abortion) goes against fundamental tenets of God's Word. This is a direct affront to all believers since this act is one He confirms that He hates (see Prov 6:16-19)! Advocating for things God hates is a failure to adhere to the fidelity of your Christian Faith. Your stance is wholly inconsistent with the Word of God.

Please repent.

Your personal stances mentioned above require correction, denouncement and repentance. These are easily accomplished with the simple step of reconsidering your support for abortion. I say simple, but I know it won't be easy as many other Pastors have supported you even against their own Christian faith. As confirmed, abortion (reproductive justice) is wholly inconsistent with your public declarations made to your community, yourself and to God. We implore you to reject apostasy, reject trouncing on the civil right to life, and reject the systemic racism of abortion.

We pray for your dutiful consideration.

Respectfully,

Kevin McGary,
Co-Founder of Every Black Life Matters

	April	D	SC	abortion is a sin and God said so in the Bible. you need to do something about changing your way of life because you're living a life that is a lie and that is a sin.
	Ann	D	GA	Abortion is killing a human being. You are not God who created this human being. Shame on you!
	Nana	F	CO	Abortion is murder and it's the most deceitful way to continue to destroy the black community, and any community within. Most of all, Gods word says, "Before I formed you in your mother's womb, I knew you." Life starts at conception ; God knew these children even before they were formed. God bless you. Let Jesus be Lord, truly - and not the opinion of man.
	Margaret	G	NY	Abortion kills babies in the womb; that is what abortion is!
	Margaret	G		Abortion kills babies. How can you support killing children?
	Lois	H	PA	All Black Lives Matter!
	Mary	L	CO	ALL lives matter
	Jim	Mc	NC	All lives matter from the womb to natural death
	Joan	F	FL	ALL Lives matter no matter what color they were born with! God made all of us and we should not interfere with HIS WORKS.
	Cathryn	J	TX	All lives matter!!!

	Sharon	L	IL	All lives matter, especially all preborn babies who are the future of the USA. These precious human beings deserve life, not the violent murder of abortion. Please use your political power to protect these precious preborn babies and to assist their mothers in this time of their need. Thank you.
	Jayne	L	WA	Almighty God, please guide us to a better way to live together here on earth. In name of Jesus Christ we pray, amen.
	Anita	G	AZ	am a white old woman who was raised in Louisiana. It was segregated s you know, and I didn't understand it then and I can't accept it now! I can find no reason to think that I am better than someone who is black! It is shameful for a black race to have to convince stupid people that black lives matter! May our God who made you and me bless you in this great endeavor!
	Karen		CA	An baby begins to feel pain in the second month of pregnancy. It is beyond barbaric to dissect the "fetus" like it is a meaningless potato. It should also be as illegal just as dissecting a newborn would be.
	Andrew	A	MD	As a Maryland resident who agrees with this, I'm on board .
	Randy	F	TX	As a Pastor, protect life, protect innocence; every Black life matters
	Tom	T	CA.	As you look at this picture, I pray the HOLY SPIRIT would soften your heart through oil of HIS LOVE! PLEASE consider the little ones, they have no voice, but, YOU can be that voice for them! Praying you'll reconsider your stance.
	Cheryl	F	NE	Asking Jesus to bless and protect us!!
	Douglas	K	OR	Baby Life Matters !!!

	Steve	B	TX	Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.
	Gary	M	OH	Challenges of Faith Radio Program concurs!
	Michael	C	AZ	Could not agree more;Every Black Life Matters!!!!
	Dave	M	NE	Dear Reverend Warnock - I pray you will honor your stated commitment to God and take the actions Kevin McGary requested of you - may the Lord bless you for your integrity to sincerely repent & honor God
	Dolores	H	PA	Do God's will.
	Chaplain Gordon	K	CO	Don't abuse your "Pastor" title to kill children. Jesus would never.
	Evangelist Alveda	K	GA	EBLM, God bless you!
	Jim	T	PA	Election Fraud is verifiably and co-conspirators should be prosecuted.
	Maria	M	Ca	Every Black Life Matters does not subjectively choose which black lives are protected but promises to promote justice for ALL BLACK LIVES!!!
	Elizabeth	H	VA	Every black life matters.
	Kelly	B	TN	Every life is made in the image of our creator and every life matters.
	Mike	B	MO	Every life is precious!
	Joe	M	VA	God Bless America!
	Cheryl	B	CA	God bless you for your work for the unborn.
	Steve		CA	God says to all "I knew you before you were in your mother's womb.(Jer 1:5) I knit you together, you are beautifully and wonderfully made (Pam 139:13), and I have a plan for your life, a plan to prosper you...." (Jer 29:11). It would be better to have a mill stone around your neck than to cause one of these little ones to sin (Luke 17:1); Hold yourself accountable to God's word or ignore him at your own peril

	Rev. Ralph	C	DC	God will hold you accountable for this blasphemy
	Nancy	M	OR	Grow up & follow God & the Bible
	Ronald	C	NJ	He proverbially may be called a man of the cloth but it is a compromised and corrupt cloth. God forbid!
	Carla	A	NJ	Hi, Every life matters! Especially an innocent baby that has a right to be alive like anyone else..
	David	T	IA	I agree completely that abortion is anti-Christian and should be denounced by you instead of embraced.
	Gail	M	LA	I am anti-abortion and pray you will turn from your support of it. It is an abomination to God.
	Ayesha	K		I am with you 100%
	Joanne		GA	I can't see a man of God being pro abortion in any way. I absolutely do not want tax dollars to go to murdering the innocent in the womb.
	Jerome	K	GA	I don't know how you can call yourself a Christian let alone a Pastor and support abortion of any manner.
	Luanne	H	MO	I have no money to send, but I am praying that God will intervene. This nation needs to repent or suffer the consequences of all the innocent blood crying up to God. Luanne
	Kathleen	M	OR	I just want to add a scripture concerning life and what God thinks of it. Please prayerfully read Psalms 139 and listen to God's voice.
	Todd	N	GA	I like the approach you all take - thanks!
	Rachell	K	OH	I pray for all eyes to be opened to see the truth. Amen
	Perry	F	FL	I support and pray for you. With lots of love

	Mary	B	CA	I support every point my brother, Kevin, has made. I ask you to consider his right and righteous message and to stand before our God rejecting the hypocrisy of all you represent, especially since you claim to be a preacher of the gospel.
	Frances	K	LA	If your e-mails come once a week, then I'd like to receive them. I cannot handle more than one a week. Thanks!
	Dawn	D	NY	I'm not originally from New York..Only live here for 1 year and 6 months..I'm originally from Chicago, Illinois..
	Rhonda	S	MO	Innocent blood of aborted baby's cry out to God. Please help stop the killing.
	Arlene	H	NY	Inspire Biden to do the same
	Larry		OK	It is a Grand thing that you are working to Stop. Thank You Very Much for your effort
	Randall	B		It's not complicated. Ask yourself, "what exactly are the unborn?"
	Charles	W	NC	Jesus told the religious leaders who claimed Abraham as their father that they were not doing the things Abraham did. He said "Your father is the devil, the father of lies." Your advocacy of abortion (murder of an innocent life) speaks loudly that you are a "false shepherd" and a slave to Satan.
	Francis	C	CT	Keep up the good work!
	John	O	CA	Kevin, Great job. I have met you several times during your Frederick Douglass work. I love this new project. Best to you, John
	Diana	D	AL	Know anyone going out from Alabama to Georgia that I could ride with?
	Michael	N	CA	Leave the election, and continue to serve God

	Sharon	T	NY	May God forgive you for being a puppet for the socialist agenda that's running rampant in our nation today. You should know better being a pastor. Repent before it's too late. Your eternal salvation depends upon it.
	Donald	H	OH	May God guide your thoughts
	David	P	VA	May the Lord God have mercy on us!
	Gloria	L	VA	May you soon acknowledge that Every black life matters.
	Shannon	W	CA	Mr Warnock please listen to Kevin and EBLM as they have a very important message.
	Richard & Janet	W	CA	Nobody that professes to be a "Christian" can support planned parenthood and abortion.
	Ande	D	NC	Our unborn are our destiny
	Kelly	L	PA	Pastor, seek God's Word! His truths will be revealed to you! Open your heart, your eyes, your ears to God's Word and drown out the words of the enemy! I pray that you heed His guidance and lead not your congregates into a den of lies and unrighteous beliefs. You, my dear man, are accountable to your church, be sure what comes out of your mouth can be substantiated by God's Word!
	Nancy		MT	Please consider the facts in this letter and repent.
	Angie	P	FL	Please continue to be courageous to stand for everything that is right in The Lord's eyes.
	Debbie	C	CO	Please do not condone and celebrate the slaughter of innocent preborn lives!

				Please don't believe the lie that to fight against abortion also called pro-choice is to oppose women's health. This is nonsense. The pro life position is for both mother and child. The so called "safe abortions" offered by Planned Parenthood and others put the women at risk of death due to complications during the procedure (see http://www.safeandlegal.com/) and a higher risk of mental and emotional and spiritual harm due to the killing of the human baby in their womb. We need to fight for the life of the unborn and encourage the family unit and church communities that can provide sustainable support for the mother and child instead of incentivizing the breakdown of family and church. Maybe you were brought to office for such a time as this.
	Justin	D	IN	
	Susan	N	IL	Please don't support abortion any more. Please fight against the shedding of the innocent blood of the unborn lives in America
	colleen	G	FL	please honor God, and God's creations, our beautiful babies of all colors.
	Janine	M	OH	Please pray and seek God's way of preserving human life.
	Tandra	M	CA	Please prayerfully consider by God's grace
	Tara	G	NY	Please prayerfully consider the words in this letter! These words are imperative and truthful. The word of God condemns the shedding of innocent blood. Please repent!!
	Patricia	L	OR	Please read Jeremiah 1:5 and repent!
	Jon	S	IL	Please repent for the sin of advocating abortion. I am praying for you
	Wanda	E	CA	Please repent of your sins. I will be praying for you
	Richard	C	MA	Please repent!

	Stephen	N	CA	Please review the truth of the Bible and live it, Pastor.
	Barbara	B	GA	Please revisit the Bible and take into yourself His Word which is His Spirit to align with Him; and turn away from what He explicitly states are abominations to Him.
	Pamela	F	LA	Please seek God in your stand on the right to life for all.
	Kathleen	V	VA	Please stand up for the babies who don't have a voice. They are precious in God's sight. Just as there is no such thing as being 3/5 human, there is no such thing as fetal tissue. A baby in the womb is 100% human just as enslaved Africans were 100% human. The demonic spirit behind the oppression and destruction of humanity is the same, only abortion always intends the murder of the innocent, not solely bondage. You have opportunity to influence many for good and in the manner of Christ to bring good news to the poor and set the captives free. We will all give account to God before Christ without excuse for our acts in this life. I pray for Holy Spirit to give you humility, wisdom and compassion to turn towards the truth to walk a new Way.
	Fernando	F	MA	Please support rights of the unborn and do not abuse women.
	Jeannie	S	GA	Please, please repent. Jesus is calling for a confused sheep to come home so he can straighten you out. Prayers for you.
	Lynn	B	PA	praying day and night for our nation to return to be that one nation under God indivisible with liberty and justice for all amen.
	Ruth	H	CA	Praying for the senate run off that God will reinstate Sen Kelly Loeffler & Sen David Perdue in the senate . Also for Mr Warnock to get save & delivered in Jesus name . God bless USA !

	John	N	CA	PRaying for you and our Nations... remember Your belief or non belief in God does not mean He real or not. HE is
	Sharon		IL	Protect human life.
	Amanda	J	MS	Protect those who cannot protect themselves! All lives matter!
	Rick	B	NC	Public officials need to be reminded they are there to serve the public
	Christina	R	CA	Repent
	Augustine	L	NY	Save the unborn
	Debbie		OH	Shame on you for not protecting Life! 😞
	Brian	A	ca	Stand for what is right and eternal, not what's temporary and self-serving in this life. When your took the oath for office, it was sacred and should hold meaning far above and beyond anything else. As you know, our leaders are held to a much higher standard, so live and act like it.
	Richard	L	CO	Stop the Murder of minority Babies...
	Michael	S	MI	Thank you ALL for what you do ! Prayers from us to you !
	David	B	CA	Thank you for doing this
	Margaret	L	CA	Thank you for having a reasonable answer for Christians who are against the philosophy of BLM. "Every Black life matters" is amazing!
	Kathy	R	CA	Thank you for taking the time to share this with me and all of those running for office.
	Johandra	G	TX	Thank you for the godly counsel you are providing for this great nation
	Monica	G	TX	Thank you for your courage!
	Charles	W	NC	THANK YOU so much for this letter.
	Larry	B	OK	Thank you. When you look at 3 Americans under 48, 1 is missing. When you look at 1 African-American under 48, another 1 is missing.
	Robert	P	CA	The Bible has God's commandments by which we are supposed to live. God is over you - either blessing of cursing (see Deuteronomy 28).

	Anthony	H	FL	The most dangerous place for a Black person is in the womb.
	Ruth	B	NC	They are the least of us, the most vulnerable, the most innocent. We are their voice & we must speak out for them & protect them.
	Kelly	B	NJ	We are praying for you in Jesus name. — From a pastor's wife.
	Nativida	EM	TX	We demand you step down from your position. You are misrepresenting the Kingdom of God and the people.
	Zandra & Andy	A	IL	We pray you consider these important words.
	Kurt	R	WA	Without life all other issues are irrelevant
	Terry	H	CA	You cannot be a Democrat and a Christian!! Look at the Democrat Political Platform---No mention of God; No support of life--whether at birth or extended life for the aged (Democrats have said that health coverage should end at age 75); No biblical values regarding sex, family or gender; No biblical bases regarding education; No rights of Christian expression.
	Marvin	S	IL	You cannot support elective abortion & still call yourself a Christian! Christians live by God's Commandments - one of those commandments states that "Thou shalt not KILL!" It is NOT an option!
